

# The Bridging Lanka Board Recipe

By Jeswyn Yogaratnam, Human Rights Lawyer who attended the Bridging Lanka 2020 AGM

A sprinkle of red tape (cos they said they function optimally and efficiently with minimal red tape)

A Pyrex bowl of unconditional 'Heart' to withstand the 'heat' of voluntary work

A teaspoon of madness (although Jeremy suggested to amend to 'bucketful')

A Wok of impactful projects ... on a saffron string budget (saffron string 'cos the budget is short (small) but potent with outreach)
